PRODUCT GUIDE

ZG-90 COLD ZINC GALVANISE

- Extremely fast drying
- Colour matched to newly galvanized steel
- Zinc purity 98% Complies with British Standard 4652

Requires no primer, use as undercoat or top coat
Two actuators (buttons) for either indoor or outdoor use

Long term protection against rust and corrosion:
ASTM B117 (Hot salt spray)
BS AU 148:PT141969 (Natural Weathering)
DIN EN ISO12944-1 (Corrosion Protection of Steel Structures)

Code: X5ZG-90500 Can:500ml Carton:15

MZ-90 COLD ZINC GALVANISE- MATT FINISH

- Extremely fast drying
- Colour matched to newly galvanized steel
- Zinc purity 98% Complies with British Standard 4652

Requires no primer
Two actuators (buttons) for either indoor or outdoor use

Long term protection against rust and corrosion:
ASTM B117 (Hot salt spray)
BS AU 148:PT141969 (Natural Weathering)
DIN EN ISO12944-1 (Corrosion Protection of Steel Structures)

Code: X5MZ-90500 Can:500ml Carton:15

ZG-90 ANTI RUST PAINT WITH ZINC

- Extremely fast drying
- Assorted colours as per the codes below

Requires no primer

Long term protection against rust and corrosion:
ASTM B117 (Hot salt spray)
BS AU 148:PT141969 (Natural Weathering)
DIN EN ISO12944-1 (Corrosion Protection of Steel Structures)

Colours & Codes:

X5BZ-90500 - Black	<i>(RAL 9005)</i>	X5BLZ-90500 - Blue	<i>(RAL 5017)</i>
X5GZ-90500 - Green	<i>(RAL 6005)</i>	X5RZ-90500 - Red	<i>(RAL 3002)</i>
X5WZ-90500 - White	<i>(RAL 9010)</i>	X5YZ-90500 - Yellow	<i>(RAL 1007)</i>

Can:500ml Carton:15

ACTION CAN®

AC-90 MULTI-PURPOSE LUBRICANT AND CLEANER

- NOW IN THE BIG 500ml TRADE CAN
- Strong water and moisture displacing action
- Penetrates rust and corrosion
- Cleans and protects all metals against corrosion
- Suitable for use on electronic ignition systems
- Does not contain silicone or CFC

Code: X5AC-90500 Can:500ml Carton:15

Also available in 5 Litre tin:

Code: X5AC-905L Tin:5L Carton:4

AS-90 WELDERS ANTI-SPATTER SPRAY

- Easy wipe-off removal
- Post weld corrosion inhibitor
- Welding wire feed lubricant
- Non Flammable
- No silicone

Code: X5AS-90400 Can:400gm Carton:15

CG-90 GENERAL PURPOSE CLEAR GREASE with PTFE

- General purpose clear grease
- Contains PTFE to enhance lubrication performance
- Thermally stable - operating temperature range from -40°C to +200°C
- Locks-out moisture and prevents corrosion
- NSF H1 for use in the food and beverage sector

Code: X5CG-90500 Can:500ml Carton:15

CS-90 COPPER ANTI SEIZE GREASE with GRAPHITE

- High quality grease
- Free from lead, zinc, nickel and silicone
- Contains pure ultra-fine copper and graphite flakes
- Very high temperature rating – 1200°C
- Increased lubrication with added graphite
- Protects against corrosion
- Waterproof • Anti-Corrosion • Anti-Rust • Anti-Acid

Code: X5CS-90500 Can:500ml Carton:15

ACTION CAN®

CT-90 CUTTING & TAPPING FLUID

- Drilling, sawing and thread cutting lubricant
- Safe on steels, designed for stainless steel and ceramics
- Extends tool life
- High rates of metal removal
- Reduces chip-welding
- Reduces heat and improves surface finish
- Available as Aerosol, Fluid and Compound

Codes: X5CT-90500
X5CT-90500L

Aerosol Can:500ml
Polybottle:500ml

Carton:15
Carton:12

SA-90 CONTACT SPRAY ADHESIVE

- High strength, durable bonding
- Safe & non-toxic alternative to Dichloromethane
- Precise positioning capability
- Approx. coverage 3 to 5 m2
- Suitable for use on metal, wood, ceramics, cork, carpet, tiles, & foam back carpet

Code: X5SA-90500 **Can:500ml** **Carton:15**

SC-90 STAINLESS STEEL CLEANER

- Cleans all types of stainless steel surfaces & equipment
- Leaves a unique protective soil resistant film on treated surfaces
- Removes finger prints, water marks and all types of food residue
- Does not contain solvent, abrasives, acids, bleach or salts
- Retains a lasting shine

Code: X5SC-90500 **Can:500ml** **Carton:15**

SP-90 SILICONE LUBRICANT SPRAY

- **DRY**, clean & clear lubricating film
- Superior non toxic maximum silicone
- Low odour & non staining
- Reduces friction & static
- Stable over a wide temperature range
- Prevents the sticking of rubber or plastic parts
- Protects against corrosion & oxidation
- Suitable for rubber, plastics, metal, vinyl, glass

Code: X5SP-90500 **Can:500ml** **Carton:15**

WG-90 WHITE CALCIUM GREASE

- General purpose grease
- Excellent water, acid and alkali resistance
- Effective temperature range -10°C to +120°C
- Mechanically stable with excellent shear resistance
- Enhanced anti-corrosion and protection properties

Code: X5WG-90500

Can:500ml

Carton:15

*“The quality of our products
is endorsed by the approvals we proudly hold from many leading companies.
Our business is focused on delivering our premium grade brands at very competitive prices”*

Proudly Manufactured in Great Britain

Black Blades

HEAT TOUGHENED

- Heat Treated
(Hardened yet pliable)
- Best Honed Angles
- Superior Composition
- Made in Japan

Using the purest steel, (with less manganese and sulfur) the blades are specially heat treated to harden them, and this allows the best possible angles to be honed. The blades are tougher but yet still pliable.

***The edge is physically sharper on the first cut,
and will stay sharper, for longer.***

"We regularly have tradesmen tell us EVO Power Black Blades last for 3 or 4 times as long as the blades they had previously used."

SAVE TIME AND MONEY!

LONGER LIFE

Works out cheaper

- Less down time and blade handling

SHARPER

Saves you time

- Speeds up workflow
- Safer, easier to use
- Maximizes cutting depth

Sharp - Hard - Tough - Durable

Designed for the trade in high use and heavy work situations,
i.e. flooring, drywall, insulation, construction etc.

18mm AUTO LOCK

INDUSTRIAL STRENGTH

- all purpose knife

- **18mm EVO Black Blade**
- **2 free blades in body**
- Rubber grips, safety & comfort
- Steel blade channel
- Auto lock
- Refill 18mm Black Blade

Code: XKDSL-22
Pack = 10

Designed for precision cutting
Light weight, but tough.

**9mm Safety Lock
EVO Black Blades**

9mm SAFETY LOCK

LIGHT AND EASY TO USE

- **9mm EVO Black Blade**
- **2 free blades**
- Impact resistant body with full metal lining
- Handy pocket clip for ease

Code: XKDSS-14YEB
Pack = 10

INDUSTRIAL MARKING

P20 PAINT MARKER

REVERSIBLE BULLET/CHISEL TIP

- High performance paint marker
- Safer, Xylene free
- Fast drying
- Bold, easy to read mark
- Pocket Clip

Product Detail

- Mark width: Bullet 2mm - Chisel 4mm
- Contents: 13cc fast drying, Xylene free paint

MARKING SPRAY

Trade Reliable Superior Coverage

Trade marking on concrete, bitumen, steel, and timber.

GREATER COVERAGE (4-6 m2) - BETTER VALUE!

- Highly Visible Colours
- Designed for inverted use
- Features the easy to use 'Trigger Cap'
- Suitable for use with the 'Long Arm handle'
- Premium ingredients provide superior coverage
- Manufactured for trade professional marking
